HOTEL LONDON HOLBORN

AT NYX HOTEL

A group of four people are walking through a party space. The ceiling is covered in warm-toned string lights. The walls are decorated with colorful graffiti art, including the word 'LIVE' and 'COM!' in large, stylized letters. The people are dressed in party attire: a man in a patterned shirt and black pants, a woman in a leopard print dress and black boots, a man in a dark suit, and a woman in a silver sequined dress. They are all wearing decorative headbands.
